CARTE POSTALE

By Appointment

Lord Street, Southport, the chief thoroughfare, runs parallel with the shore in a straight line. It has a number of fine shops with verandahs, and a great part of it is planted with trees. At its western end are the Municipal Gardens with the Town Hall, Art Gallery and Public Library, a fine group of buildings. The Palladium is one of the largest theatres in the provinces and the Empire will each hold over 2,000 persons.
